

**First Friday Conflict Resolution Networking Group**  
**Housing Conflict: Resources and Responses**

December 2, 1 PM  
Hannah Grimes Center, Suite C

This month's topic is Housing. We'll talk about the use of mediation to help resolve housing conflicts (landlord/tenant, co-housing, home-sharing, and other related subjects) and have an opportunity for brainstorming, networking, and resource sharing for mediators and others.

The First Friday Networking Group is a continuation of the Conflict Resolution Day impulse, the Knitting Together gatherings on the square (indoors now that it is too cold to meet outside), and the Monadnock Regional Networking group of the NHCRA. Bring your lunch, your latest project, your questions and your inspiration.

Call Adriana Elliot at 603-358-3322 with any questions or suggestions, and have a peaceful Thanksgiving.
